HINSON HELD IN JACKSONVILLE FOR ROBBERY

Express Messenger Who Shot Mr. Lock At Wilcox Proves a Big Catch For Officers.

H. F. Hinson, the express messenger who shot and wounded William Lock at his home in Wilcox last Friday, is also wanted by the authorities of Duval county on a charge of larceny.

Hinson stated when placed under arrest at Jacksonville that he had received a letter from one of Mr. Lock's family, and it was this that had called him to Lock's home. He said that just as a letter was being delivered to him the gentleman appeared on the scene and was in the act of shooting him when he clinched with the man and during the scuffle that followed Lock shot himself in the hand. He claims that he was to have delivered this letter to another party in Jacksonville. Following the arrest of Hinson in Jacksonville by the police a search was made of his effects and something over $5,000 worth of diamonds were found in his grip, and this caused the judge of Duval county to hold the prisoner there instead of allowing the sheriff here to bring him back, as he is wanted for a greater charge there.

For some time jewelry and other valuables have been missing along his run and he was being closely shadowed by two detectives of Jacksonville, who were about ready to arrest him when he shot Lock.

Hinson had recently had diamonds taken from a valuable bracelet and reset in rings.

Mr. Lock is the postmaster of Wilcox and a prominent citizen of that section of the county, while the reputation of Hinson is none too good, he having held several different positions within the past few months.

When questioned concerning having so many diamonds he claimed to have found them, and said he did not realize what they were worth or whether they were genuine or not.

As he is wanted here for assault with intent to kill it certainly looks as if the sheriff here is entitled to the prisoner, instead of Duval county.

The Times-Union gives the following account of Hinson's arrest in Jacksonville and the subsequent recovery of the jewelry from him:

"As a result of a most excellent piece of detective work by James C. Crawford and W. B. Cahoon, of the local police department, and T. J. Watts, special agent of the Southern Express Company, a diamond bracelet valued at $5,000 was yesterday morning recovered and Henry F. Hinson, a Southern Express Company messenger, was locked up at police headquarters charged with the theft of the handsome piece of jewelry.

On January 25, of the present year, a package consigned to Greenleaf & Crosby's branch store at Miami was checked short between this city and St. Augustine. The package contained a bracelet made of diamonds and emeralds and was shipped to the Florida jewelry firm by H. Smith & Co. of New York.

"Immediately following the report of the loss of the package, Special Agent Watts, whose headquarters are in Savannah, was called into the case. He came to this city and immediately started working in conjunction with the local detectives who had been advised of the robbery by the express officials in this city.

Special Agent Watts went to Miami and started working from that end, when he was called very suddenly to Pinehurst, N. C., to investigate the big robbery at that place. He went to work on the Pinehurst case and has succeeded in recovering several thousands of dollars worth of the stolen jewelry.

Crawford and Cahoon.

"Detectives Crawford and Cahoon of the local police force did not stop working on the case when Officer Watts was called to North Carolina, and they kept a sharp lookout in all of the pawn shops, thinking that portions of the handsome bracelet might be pawned by the thief.

"Several days ago the local officers learned that Henry F. Hinson, a Southern Express Company messenger, had recently had three handsome diamonds set in rings. The jeweler who did the work for Hinson visited the local store of the Greenleaf & Crosby Co. and the description given of the stolen diamonds fitted exactly those that Hinson had set in the three rings. Mr. Watts, the express officer, arrived in the city Thursday and after consulting with the local detectives, and putting together the chain of evidence, link by link, it was decided to arrest Hinson when he arrived in the city yesterday morning.

On Another Charge.

"Shortly before Detective Crawford and Special Agent Watts left police headquarters yesterday morning to meet the train from Wilcox, the run on which Hinson has been working for some time past, Chief Vinzant received a telegram from Wilcox requesting that Hinson be arrested immediately upon his arival here on a charge of assault to murder. He is alleged to have shot at the postmaster at Wilcox Thursday night.

"This telegram played right into the hands of the officers, as it gave them the opportunity to arrest Hinson on one charge and investigate the other while he was held a prisoner at police headquarters.

Placed Under Arrest.

"When the train from Wilcox arrived it was met by Crawford and Watts, and Hinson was informed that he was under arrest. He asked on what charge, and he was informed, assault to murder.

"The prisoner first requested that he be allowed to go by his home, 1002 West Monroe street, stating that he wanted to leave his grip at the house. This was refused him. He next asked that he be allowed to send home some soiled clothes and this request, too, was denied him.

"He was placed on a street car and guarded by the officers was taken to the superintendent's office of the Southern Express Company. While on the street car he asked that he be allowed to open his bag, but this was not allowed. He then made an attempt to open the grip against the wishes of the officers, but he was kept from so doing.

Had Big Revolver.

"There would evidently have been trouble on the street car had Hinson gotten into his grip, for when it was unlocked by the officers in the office of the express company it was found that a large pistol lay on top of his change of clothing. The man very likely realized that he was going to get caught up with in the robbery matter and the officers are of the opinion that he would have tried to fight his way clear had he been able to get hold of his revolver.

"When the grip was searched in the express office three diamond rings were found, each of them in separate boxes. Hinson was asked where he got them, and he stated that he found them some time ago while in Savannah. A stenographer was present and took down the statement of the express messenger.

Taken to Jail.

"After making his statement in the express office Hinson was taken to police headquarters, where, after a thorough searching, he was locked in a cell. He was questioned very closely about the diamonds, and his second statement was to the effect that he found the diamonds in a package on West Bay street.

"This story was very flimsy and the authorities put no credence in it, but they let Hinson believe that they had faith in his story. Hinson admitted that there were four diamonds in the package, and stated that the fourth was at his home in the possession of his wife.

Went to His Home.

"Hinson was placed behind the bars and Crawford and Watts, armed with a search warrant, visited the home of the prisoner at 1002 West Monroe street. When the officers reached the home they found Mrs.

SHERIFF LANGSTON KILLED BY A NEGRO

LEON COUNTY'S FAITHFUL OFFICER BRUTALLY MURDERED.

Sheriff Had Gone to Negro's House and Demanded His Surrender. Posse in Pursuit.

TALLAHASSEE, March 20.—Killed by a desperate negro named Morrison, whom he was trying to arrest last night, the dead body of Sheriff W. M. Langston lies at his home here and the people are very indignant over the crime committed.

The sheriff has only been in office a few months, having succeeded Charles Hopkins who was sheriff for many years. The deceased was a most faithful official and was highly esteemed all over Leon county.

Sheriff Langston and his deputy, T. Haws, went to Morriston's house at Spring Hill, a village near here, and called on him to surrender, when Morrison fired a shotgun loaded with buckshot into the sheriff's stomach, killing him almost instantly.

The negro, after his deadly work, made his escape and a posse is now making diligent search for the scoundrel. The shooting created great excitement.

BOLD KIDNAPPER ASKS FOR $10,000 RANSOM

Got Boy by Clever Ruse Worked on School Teacher of Public School in Sharon, Pa.

SHARON, Pa., March 19.—Ten thousand dollars ransom is demanded for the return of William Whitla, Attorney James P. Whitla's 8-year-old son, who was spirited away from school here yesterday morning by an unknown man, furnishing a mystery which the detectives of the country are being asked to solve. Accompanying the demand for ransom is a covert threat that the boy will be killed unless the money is produced.

Hundreds of telegrams and telephone messages have been sent to the police of various cities asking their assistance in the search for the boy and his abductors. The first fruit of these came last night, when Chief of Police Grain of this city received word that a rig in which the lad had been taken away had been recovered at Warren, O., with the child's hat on the seat of the buggy.

How Boy Was Stolen.

At 9:30 o'clock yesterday morning a stranger drove up to the East Ward school, where young Whitla is a pupil in room No. 2, and told the janitor, Wesley Sloss, the lad was wanted at once at his father's office. Sloss conveyed the message to Mrs. Anna Lewis, the boy's teacher, who dismissed the child. As she was helping him put on his overcoat she remarked, half jokingly, "I hope that man does not kidnap Willie." The man in the buggy had a dark complexion, dark hair and a stubby mustache. He was stockily built. He spoke excellent English and was evidently American born.

When Sloss appeared with the boy the stranger smiled and helped him up to the seat beside him. He then drove off in the direction of Mr. Whitla's office. Several persons last night said a confederate joined the kidnapper before he had left town.

Little was thought of the incident, and there was no belief that a crime had been committed until the lad failed to appear for his noon-day meal. Becoming worried, Mrs. Whitla began a search, and at the school she learned of what had occurred there three hours before.

Threaten Lad's Death.

At 1 o'clock a letter directed to the mother was delivered to the home by a mail carrier. Mrs. Whitla at once recognized the handwriting on the envelope as that of her son. Opening it she found the following communication written in a strange hand:

"We have your boy and will return him for $10,000. Will see your advertisement in the papers. Insert in Indianapolis News, Cleveland Press, Pittsburg Dispatch, Youngstown Vindicator:

"'A. A.—Will do as requested. J. P. W.'

"Dead boys are not desirable."

The penmanship and spelling of the note indicated it had been written by a man of fair education. Mr. Whitla decided to comply with the conditions of the letter and sent for publication to each of the newspapers specified the note it directed him to insert.

Circuit Court Did Good Work In Levy County

BRONSON, March 20.—Circuit court for the Eighth judicial circuit which has been in session the past week has adjourned for the term. A number of cases, both civil and criminal, were disposed of, in fact, the docket was practically cleared. Never has there been a more hustling grand jury impaneled in Levy county than the one which has served at this term. Hon. Charles W. McElroy of Judson was the foreman and the rapid dispatch with which they disposed of the cases brought before them enabled the grand jury to complete their work within less than two days.

No indictment was found against Early Morgan, a young white man who was charged with killing a negro at Otter Creek a few months ago. It never was believed that the jury would have evidence to hold the young man, as the killing, from all accounts, was justifiable.

The case that created the most interest was that of the State vs. J. D. Thornton, a white man indicted for assault to commit incest on his daughter, Annie Thornton. It took considerable time to secure a jury to try this case. Several witnesses were placed on the stand by the State, and the impression was that the jury would return a verdict of guilty, and their failure to do so was quite a surprise, especially to the citizens of Bronson, where this heinious crime is alleged to have been committed. Thornton's wife and daughter were placed on the stand to testify in his behalf, and as their testimony was so different to their statements made at the time of Thornton's arrest, they caused much disgust.

This was the only case that State Attorney Rivers failed to secure a conviction. There were but few whiskey cases to come up for consideration. This is due to the diligence of Sheriff Walker in breaking up the "blind tigers" of the county. There is not a more conscientious and efficient sheriff in Florida than Sheriff "Bob" Walker, who always does his duty and is more popular than ever before.

There was only one murder case for trial, Smith Coleman, who killed another negro at Inglis. It was late Wednesday night when the jury came in with their verdict of murder in first degree with recommendation to mercy of the court, which means life imprisonment for this negro.

A guard arrived today for the eight prisoners, all of whom are negroes, their sentences ranging from twelve months to life imprisonment in State penitentiary.

Sea Island Cotton Dull and Quiet in Savannah

SAVANNAH, Ga., March 20.—The Sea Island cotton market ruled quiet to dull with a narrow demand the past week. Prices were unchanged from the week before, and a good part of the moderate sales represented shipments of cotton previously bought.

The actual unsold stock is not very large, about half the apparent stock being cotton held by exporters ready for shipment. Of the remainder most of the cotton is being held, and is not on the market.

Sales for the week were 419 bales.

The following prices were based on factors' quotations and are revised weekly on Fridays:

SHOOTING AFFAIR IN WEST END FRIDAY

PRINCIPALS IN TRIVIAL MATTER WERE WHITE MEN.

Express Messenger on A. C. L. Train Shoots William Lock Through the Hand at Wilcox.

From Saturday's Daily Sun:

News was received in the city yesterday of the shooting of William Lock by the express messenger on the Seaboard passenger train at Wilcox station.

None of the particulars could be learned as to what led up to the act, further than that it was a trivial matter and the shot was fired by the messenger while they were engaged in a scuffle.

The wound is not a dangerous one, as it went only through Lock's hand, but a warrant has been sworn out and the messenger placed under arrest. The messenger was allowed to make his run to Starke yesterday morning, but relief will be given him and he will stand the preliminary, either here or before the justice at Wilcox.

Both parties are said to be prominent people, but our informant could not give us the name of the messenger or the particulars.

DEDICATION TO BE A CROWNING EVENT

MASONS WILL OCCUPY NEW HOME APRIL 6TH AT LATEST.

Grand Lodge to Attend Dedication Ceremonies on April 28, and Big Day is Promised.

The Masonic fraternity of this city are planning for one of the grandest occasions in the history of the city on April 28th. At this time they propose to dedicate their new temple and will have many of the leading Masons of the South in attendance.

A very lengthy and appropriate program is now being arranged by the committee who have the matter in charge, and Col. Webster, who is one of the number, states that it will be one of the best treats from a literary standpoint ever given.

The dedication ceremonies will occur at the temple in the afternoon, while a literary program is to be arranged to follow in the evening, the day to close with a very elaborate banquet.

The Grand Lodge of Masons of Florida are expected to attend and participate in the ceremonies, and withal it promises to be the greatest day ever yet had for the Masons in the interior of Florida. There is possibly not another place in the State that can show up such a temple outside of the very larger cities, and even these will not far exceed the cost and arrangement of this new home.

Arrangements are now being made for the local Masonic orders to hold their meetings here, and it is understood that the contractor promises to turn the building over to them completed by the 6th of April, at the very latest.

DON'T BE MISLED.

The retail druggists of this country, as a class, are noted for their high standard of intelligence and honorable dealing, but it is a well-known fact that occasionally you will find one who will try to sell you something else when you call for a remedy of established reputation. He forgets that your health is more important than his pocketbook.

For example, when you ask for Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy, don't let any druggist, drug clerk or storekeeper persuade you into buying something else in its place. Every time he succeeds in selling you a worthless substitute he makes more profit, but you are humbugged at the expense of your health.

For many years we have watched with much interest the remarkable record maintained by Dr. Kilmer's Swamp-Root. From the very beginning, the proprietors had so much confidence in it that they invited everyone to send for a free sample bottle so that people could judge of its great curative value in even the most distressing cases of kidney, liver and bladder troubles.

On another page of this paper you will find a few of the letters, prompted by feelings of heartfelt gratitude, that are constantly coming to Dr. Kilmer & Company. No one can doubt such sincere and honest testimony.

Swamp-Root is prepared only by Dr. Kilmer & Co. Laboratories, Binghamton, N. Y.—Don't experiment—If you need a medicine you should have the best.

EVERYONE NEEDS S.S.S. IN THE SPRING

This is just a short talk which we hope will be of interest and help to you in selecting the tonic and blood purifier that will be of the greatest value to you this Spring.

That this is the most trying of all seasons on the health is a fact well known to us all. It is the time of year when our constitutions are required to stand the greatest strain, and unless properly cared for the foundation is often laid for physical disorders or disease later on. The great majority of persons are fast coming to realize the importance of preventing disease. Health is our most valued possession, and its preservation is a matter which vitally concerns every one.

Most persons, even those who are ordinarily strong and robust, feel the necessity of a tonic and blood purifier at this season. Some have no particular ailment, but are weak, debilitated and run-down. The Winter life, with its decreased amount of out-door exercise, and the fact that the cold weather has kept the pores of the skin closed, prevented the usual necessary amount of refuse and waste matter from being carried out of the system. These impurities entering the circulation have weakened and thinned the blood, and this vital fluid is therefore lacking in the nourishing properties necessary to sustain and preserve systemic health, when warm, active Spring life begins.

The general bodily weakness, tired, worn-out feeling, fickle appetite, poor digestion, etc., show how weak and anaemic the blood has become. Frequently skin diseases, pimples, eruptions, boils, etc., break out on the skin, and this is evidence of the impurity of the circulation.

S. S. S. is the medicine needed to correct this condition, and is the only one on which you can rely to supply the system with the best tonic effects, and at the same time thoroughly purify the blood. The use of S. S. S. at this time may save you from a long spell of sickness, and it will certainly prepare you for the strain of the long, hot Summer. Many people have put off using a tonic until the system became so weakened it could not resist disease, and have paid for the neglect with a spell of fever, malaria, or some other trouble. S. S. S. is Nature's ideal tonic and blood purifier, made entirely of the pure extracts of healing, strengthening, health-giving roots and herbs. It tones up the stomach and digestion, rids one of that tired, worn-out feeling, improves the appetite and digestion, and in every way contributes to the strengthening and building up of the entire system. S. S. S. is recognized everywhere as the greatest of all blood purifiers, and this combined with its unequalled tonic properties, make it a medicine needed by every one in the Spring.

S. S. S. is for sale at all drug stores.

LARGE CROWD VISIT HEALTH INSTITUTE

THREE SESSIONS HELD IN CITY WHICH PROVED INTERESTING.

The Exhibition and Chart Work of Last Night Was Largely Attended and Interesting.

From Friday's Daily Sun.

The tuberculosis—or consumption—exhibition that was in session yesterday attracted considerable attention from the general public. Large crowds attended the lectures given at the schools and the large tabernacle was well filled to hear this important matter discussed.

The first lecture was given at the High School auditorium for the benefit of the school and its scholars, but many ladies were present to hear the lecture, which was very convincing and highly instructive. From the High School Dr. Routzahan visited the colored school, where a like crowd was awaiting him, and judging from the intense interest given him his lecture was well received and the race profited by his lecture.

Commencing at 4 o'clock he addressed the citizens generally at the Tabernacle, the same line of argument and interesting statistics being used here as was employed at the schools.

In the evening he not only gave his address, but it was demonstrated with the exhibit, which consisted of charts, maps, models of tents and cottages, sanatoria buildings, photographs showing causes leading to consumption, demonstrations of living in the open air, and a general stereopticon exhibition showing the manner in which to combat with the disease.

DEATH OF MRS. WAINWRIGHT.

Funeral to Be Held at Home at 7 O'clock This Morning.

From Friday's Daily Sun:

After an illness of several days death came and relieved the sufferings of Mrs. S. Florence Wainwright at the hospital on Thursday morning at 4 o'clock, to the great surprise of many who thought that she would be able to stand the great strain of the operation which was performed.

Mrs. Wainwright was born in Brooks county, Georgia, on December 14, 1861, but was practically raised in this State, coming here when she was but a young girl. For the past thirteen years she had been a resident of Gainesville, and was universally liked among the citizens, being up to the time of her death a hard and consistent worker in the cause of Christ and the church.

When quite a young girl her mother died, leaving five children, all of whom she raised and tenderly cared for. In her younger life she taught school for a number of years, but was united in wedlock to Mr. J. E. Wainwright on September 24, 1882, and to the happy union one child was born, Miss Julia, who is now teaching music in Stetson University at DeLand.

She was the daughter of Mr. Chas. E. Jones, who survives her, living at Pierson, Fla., one sister living in Boston, and leaves besides these one sister and two half-brothers who reside at Pierson.

She had been a member of the Baptist Church for the past twenty-five years and was an active worker here ever since her residence. She was a past president of Kirby Smith Chapter, U. D. C., also president of the Ladies' Aid Society of the Baptist Church.

The funeral services will be at the home this morning at 7 o'clock, Rev. S. B. Rogers, her pastor, preaching the services. The interment will be in the family burying ground at Starke, and the remains will be shipped from here over the early morning Seaboard for that point.

The pall-bearers selected to act are as follows, and are requested to meet at the undertaking parlors of R. McClellan at 6:45: Col. H. S. Chubb, J. F. Bunch, J. M. Rivers, W. B. Taylor, J. M. Dell, H. M. Chitty.

Kirby Smith Chapter, the Ladies' Missionary Society of the Baptist Church and members of the land office all had lovely wreaths of flowers arranged and sent to the home, besides the offerings from friends throughout the city were profuse and lovely. The wreath sent by Kirby Smith Chapter was composed of red and white carnations, Easter lillies and white roses, with Confederate flags in the center.

To the bereaved husband and daughter The Sun joins the community in extending sympathy.

DO IT NOW

Gainesville People Should Not Wait Until It Is Too Late.

The appalling death-rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's Disease, gravel or some other serious form of kidney compaint.

If you suffer from backache, headaches, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's Kidney Pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here's a case at home:

Mrs. A. H. Leonard, 304 E. Liberty street, Gainesville, Fla., says: "I feel that from personal experience and that of several of my friends who have used Doan's Kidney Pills, I can endorse them very highly. Any person suffering from backache, headaches, chills, nervousness or any of the other symptoms arising from disordered kidneys, will make no mistake in giving Doan's Kidney Pills a trial. They always act quickly, cause no inconvenience and live up to the claim made for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mrs. Wainwright's Funeral.

From Saturday's Daily Sun:

The funeral services of Mrs. J. E. Wainwright were held at the home on Friday morning at 7 o'clock, Rev. S. B. Rogers conducting the same.

The remains were accompanied to Starke by Rev. Rogers, R. McClellan, J. F. Bunch, J. M. Rivers and Mesdames H. H. McCreary, L. W. Jackson, S. M. Mixson, F. M. Prewitt, E. D. Wynne, J. H. Earle, J. M. Rivers, H. P. Holstein and son and Miss Bessie Bunch. The floral tributes were profuse and handsome, attesting the loving esteem of the people of Gainesville for this noble Christian woman.

C. M. DELL WITHDRAWS FROM MARSHAL RACE

AGREES TO SUPPORT MR. WARREN IN COMING CONTEST.

Form An Agreement Among Themselves to Have Ballot of Square on Question of Choice.

From Saturday's Daily Sun:

Realizing there was little chance for either himself or C. C. Warren winning in the coming municipal contest, provided all three remained in the contest, C. M. Dell has withdrawn in favor of Chas. Warren, who will go it alone against the present incumbent, B. T. Arnow.

Late Friday afternoon the two contestants met as per agreement and made a canvass among the merchants and clerks of the square, and the one who received the most votes was to remain in the race, and the lowest party would do all in his power to throw his influence toward the winner.

They arranged a ballot box and started at the Hyde corner and had every business man and their clerks to cast a vote for their choice. A canvass of the vote cast showed but very little difference, but according to the agreement Mr. Dell retires and will support Mr. Warren. Following is his card:

"To My Friends and the Public:

"I have withdrawn from the race for marshal in the coming municipal election and will lend my every effort and influence to the election of Chas. Warren. I desire that as many of my friends as can consistently do so assist me in his election.

"Very respectfully,
"C. M. DELL."

Since the above action has been taken it is rumored that one or more "dark horses" will be placed in nomination to be voted on at the coming election, and judging from the way the contest has warmed up within the past it will be the most exciting contest witnessed here in some time.

Prof. H. A. Howell, of Havana, Cuba, Recommends Chamberlain's Cough Remedy.

"As long ago as I can remember my mother was a faithful user and friend of Chamberlain's Cough Remedy, but never in my life have I realized its true value until now," writes Prof. H. A. Howell, of Howell's American School, Havana, Cuba. "On the night of February 3rd our baby was taken sick with a very severe cold; the next day was worse and the following night his condition was desperate. He could not lie down and it was necessary to have him in the arms every moment. Even then his breathing was difficult. I did not think he would live until morning. At last I thought of my mother's remedy, Chamberlain's Cough Remedy, which we gave, and it afforded prompt relief, and now three days later, he has fully recovered. Under the circumstances I would not hesitate a moment in saying that Chamberlain's Cough Remedy, and that only, saved the life of our dear little boy." For sale by all druggists.

Notice of Application for Special Legislation.

Notice is hereby given that application will be made to the Legislature of Florida at the regular session to convene at Tallahassee on April 6th, A. D. 1909, for the enactment of a law prohibiting the sale of Sea Island or upland cotton in the seed in the county of Alachua during the months of August, September, October, November and December of each and every year. This February 6, 1909.

A Religious Author's Statement.

Rev. Joseph H. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed same frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy. J. W. McCollum & Co.

It Will Help You

Mrs. W. W. Gardner, of Paducah, Ky., tried Cardui and writes: "I think Cardui is just grand. I have been using it for eleven years. I am 48 years old and feel like a different woman, since I have been taking it. I used to suffer from bearing down pains, nervousness and sleeplessness, but now the pains are all gone and I sleep good. I highly recommend Cardui for young and old." Try it.

Laws are enforced in some States regulating the size of sheets to be provided by landlords. We have heard no complaint, however, as to the hotels in this State, but we have as to pillows. A movement is on foot to erect a commodious hotel at Amelia Beach (Fernandina), where good accommodations can be had at $7.50 per week. Rev. E. W. Way is taking an active part in promoting the enterprise and its success is almost assured. HIS FIRST MESSAGE.

If brevity is not always the soul of wit, says The Wall Street Journal, it has at any rate all the charm of novelty in Presidential messages. President Taft's first message to Congress is businesslike, sincere and mercifully short. There is no allusion to the Roosevelt policies. There is a plain intimation that Congress should attend strictly to the business it was called together for, and avoid frittering away the public time on matters with which it has no present concern.

The President clearly recognizes that the business of the country requires a settlement of the tariff question as speedily as possible, consistently with doing the work in such a manner as will not require it to be done all over again within a short time. President Taft is absolutely right when he says that "it is of the highest importance that the new bill should be agreed upon and passed with as much speed as possible consistent with its due and thorough consideration."

The people of the United States will recognize gratefully the temperate and businesslike character of the message. It is confined strictly to the one subject requiring immediate attention and does not stray into other paths, however seductive. It does not repeat even the part of the inaugural address in which the President indicates principles upon which tariff revision should proceed. Such a phrase as "It is not necessary for me to repeat what I then said," establishes something of a new precedent, or at any rate reviews one old enough to have been forgotten.

Comparisons are odious, but it is plain that the subject cannot be discussed without reference to the ex-President. The American people can well afford to make them gratefully and in a kindly spirit. Mr. Roosevelt's task was entirely different from that of Mr. Taft. He was the pioneer in certain work which had to be done, and it was inevitable that he would fall foul of many prejudices and many sincere convictions. He had to adapt his methods to his men, and to do the best work he could with tools which were sometimes far from being the best that could be had.

That large section of the citizenship of this country which believes that it is possible to have omelets without breaking eggs will be telling each other today that at last we have the ideal in the Presidential chair. Mr. Taft has his eggs to break too. It may be taken as certain that he could not have so closely associated with his predecessor for so long without seeing eye to eye with him in many ways. He has begun well and we may well feel confident that he will continue to do his duty to the best of his great ability.

He has at least set an example of brevity and conciseness to Congress which it will do well to imitate forthwith.

THE TARIFF BILL.

The new tariff bill introduced in the House on Wednesday by Mr. Payne of New York provides for an issue of $40,000,000 Panama Canal bonds and re-enacts the provision for the issuance of Treasury certificates to the amount of $250,000,000. It also provides for a graduated inheritance tax similar to the New York State law, and imposes duties on a maximum and minimum basis.

Cotton seed oil, iron ore, tallow, flax straw and undressed flax, mechanically ground wood pulp, hides and works of art more than twenty years old are placed on the free list, while the duty on coffee remains.

Tea is taxed at 8 cents per pound, and the international revenue tax on heavy grade cigarettes is increased 60 cents, and on those weighing less than three pounds to the thousand it is increased to $1.50.

Lumber is cut 50 per cent and refined sugar has duty urged of five one hundredths of a cent per pound; crude gypsum, $10 per ton; fire brick, 10 per centum ad valorem; steel and iron schedule, from 40 to 50 per cent; tin plates, 90 per cent; bacons and hams, 1 cent; dextrin and starch, one-half cent; wool, shoddy and waste, 5 cents, and boots, shoes and leather goods from 40 to 50 per cent; bituminous coal and agricultural implements imported from countries permitting free entry of these articles from the United States are admitted free of duty.

Other reductions are on marble, plate glass, lead bearing ore, wool grease, barley and barley malt, flax grill nettings, single yarns and threads, oil cloth, cotton shirts and collars and printing paper.

Increases in duties are made on chicory root and articles used as a substitute for coffee.

Cocoa, spices, coal tar dyes, Keene's cement, asphaltum, flour spar, zinc in ore, osier or willow, figs, lemons, pineapples, mercerized fabrics and gloves, embroidery and lace-making machines are to be imported free until July 1, 1911.

Free reciprocal trade with the Philippines is provided for, but limiting free sugar to 300,000 tons, wrapper tobacco to $2,000,000 pounds, and 150,000,000 cigars a year. The exemption is confined to the products of the islands. The Cuban reciprocity provisions of the Dingley bill are continued. Provisions for drawbacks and method of valuation are extended and broadened.

HINSON HELD IN JACKSONVILLE FOR ROBBERY

(Continued from Page One.)

Hinson, a sister of Hinson's and a brother.

"Mrs. Hinson, according to the officers, refused to allow them to search the house, and she ran upstairs and attempted to close the door to her bedroom. Special Agent Watts followed her up the stairs and forced the door open before it was locked.

"As he did so he says he noticed Mrs. Hinson placing something in the front of her shirt waist. Detective Crawford and Agent Watts talked the matter over while at the house and Hinson's brother was called into consultation with the officers.

"The officers informed Hinson that his brother had not been arrested on a charge of larceny, and such was the case, as he was docketed at police headqharters on a charge of assault to murder. However the charge was later changed to that of larceny.

"Mrs. Hinson was informed that her husband had said that the fourth diamond was at his home, and after keeping the officers waiting for some time, she finally consented to produce the diamond. She was then informed that the bracelet, containing four emeralds, valued at $500 each, and many smaller diamonds, was wanted by the police. After some hesitation she produced the bracelet, and it was not necessary for the officers to continue their search. The $5,000 in jewelry was now in possession of the officers, and when they returned to police headquarters Special Agent Watts swore out a county warrant charging Hinson with the theft of the jewelry.

"When Hinson was searched at police headquarters $24.60 in cash, and several letters and a bank book were taken from him. The bank book shows that he has a balance of over $700 in the National Bank of Jacksonville. A $200 deposit was made only a few days ago.

"Special Agent Watts says the express package was checked short by the messenger who was on the run between this city and Miami, the package being missed shortly after the train left here.

"The package was delivered to the East Coast messenger in the check room at the union depot, this city, and Special Agent Watts is of the opinion that after the East Coast messenger signed for the package it was slipped away by Hinson, who was in the room at the time checking up his run for Wilcox. The East Coast messengers who leave on the afternoon trains and the Wilcox messengers are generally in the check room together, according to the express officials.

"The prisoner has been in the service of the Southern Express Company for the past four years, and up to the present time he had never been suspected of any wrongdoing."

MR. C. W. CHASE DIES VERY UNEXPECTEDLY

PASSED AWAY AT MANHATTAN HOTEL IN NEW YORK CITY.

Had Just Arrived from Boston and Was En Route to His Home Here.

From Saturday's Daily Sun:

The news of the sudden death of C. W. Chase came as a great shock to the entire city of Gainesville yesterday, and it will doubtless prove a hard blow to the future of the city, as he was considered the most progressive citizen here.

No particulars were received regarding his demise, but the general supposition was that it was caused from heart failure, due to the extra hard strain that he has been under for the past few months managing his immense business interests and engineering the much-talked-of paper factory that was almost a certainty, all preliminary arrangements having about been completed at the time of his death.

Mr. Chase was about 51 years of age and came to Florida some twenty-five years ago, and it was not long before he recognized the future possibilities of this State and section and immediately began his business career, which was the most thrifty and successful possibly of any man in the entire South.

He has been a great factor in the business interests of this section and had figured very prominently in the largest enterprises, besides he was always willing and able to assist people in all walks of life.

Of recent months he had disposed of some of his interests in order that he might give more time and attention to the paper mill he was to establish in Gainesville and which would have been the means of bringing at least 1,500 more people to this city as inborers, and it was this immense concern that probably hastened his death. This company was to have been capitalized at about $3,000,000 and would have done more for Florida and Gainesville than any of the large enterprises that are now within its borders, outside the phosphate industry. He was president of the Dutton Phosphate Company, which probably owns and operates more mines than any other corporation in the State.

Gainesville has had some hard blows, but in the death of this gentleman it seems that Providence has given us the hardest knock we have yet experienced, for with the Chase interests backing any concern the people were assured of it being a success.

The telegram announcing his death was received from Mrs. C. W. Chase, who was with him, and it was known that they left Boston Thursday night or early Friday morning. He died at the Manhattan Hotel in New York very suddenly.

B. F. Williamson, who has charge of his business affairs to a large extent, was wired for and left on the first train. It is generally supposed that the interment will be here, for some time ago he had constructed a large cement vault which he said was built for the reception of his body.

Mr. Chase was born in Haverhill, Mass., on July 26th, 1858.

COMPROMISE AGREED TO WITH LUMBERMEN

ABOUT $3,000,000 INVOLVED IN CLAIMS FOR REPARATION.

Railroads Agree to Pay 67 Per Cent of It in Georgia, Florida and East Alabama.

WASHINGTON, March 19.—What are popularly known as the yellow pine reparation cases, before the Interstate Commerce Commission, were settled by agreement yesterday. They involve about $3,000,000 of reparation on a charge of 16 cents per hundred pounds on lumber shipped from the Southern yellow pine region east of the Mississippi river to points outside of that territory. The cases were set for hearing yesterday before the Interstate Commerce Commission. As a result of conferences between representatives of both shippers and railroads, an agreement was reached that, so far as Georgia, Florida and the eastern part of Alabama is considered, the railroads would pay to the claimants 67 per cent of the amount of their provable claims. The claims for the remainder of the territory, much larger in amount, have not been worked out completely, but the disposition of the railroads is to agree to an adjustment on the basis of settlement already effected.

In all, 432 cases were set for hearing today. The claims were divided into two general classes, those from the territory covered by the decision of the commission, affirmed by the supreme court of the United States in the cases of Tift, et al., against the Southern Railway, et al., and those similarly affirmed, in the case of the Illinois Central railroad against the commission.

The first territory comprises Georgia and Florida and that portion of the State of Alabama east of a line drawn from Selma southeast to the Gulf of Mexico. The second class involves all cases from the Southern pine regions east of the Mississippi river, except that described in the Tift cases.

As a result of conferences between counsel representing both the roads and claimants, it was agreed that the railroads should pay all claimants from the Tift territory 67 per cent of the amount of their provable claims within ninety days from this date.

The claims originating in the other territory, known as the Yellow Pine Association territory, are much larger in aggregate amount and have not been worked out yet in detail. As to these cases, however, it was agreed that they might be continued indefinitely by the commission, to be called up and assigned for hearing any time after April 25, if, by that date, the railroads had not submitted a satisfactory proposition of settlement.

The adjustment of the claims in the Tift territory is indentically on the same basis as was the settlement several weeks ago of a batch of yellow pine cases from the same territory, involving about $165,000.

THE TEST THAT TELLS.

Dothan, Ala., Jan. 21, 1909.
Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen: About one year ago two of my children suffered badly from weak kidneys and diabetes; their urine was very bad and they would have severe spells of dizziness, and were all run down in health. I was just about discouraged. I tried several remedies and finally a doctor, but they did not seem to improve. I knew of a friend who was taking Swamp-Root for kidney trouble with good results, and I decided to get some for the children. I noticed there was some improvement after they had taken two large bottles, and continued to give it to them until they had taken a half dozen bottles and were well on the road to recovery. I think Swamp-Root has done more for my children than any other medicine I have tried and I recommend it to one having children who sufferer as mine did.

Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen: Some time ago I was troubled with kidney trouble; had severe pains in back and hips. Was treated by a physician, but without any benefit. I noticed some Swamp-Root advertised and resolved to give it a trial. After taking four bottles I was completely cured. Have not suffered any pain at all since and can recommend Swamp-Root to anyone suffering from kidney trouble. Sincerely, MRS. E. V. STEVENS.

BAPTIST MINISTER.

Brinson, Ga., Jan. 20, 1909.
Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen: Some time ago I suffered severely with pain in my back and hips. My back pained me continually and I felt miserable. A friend recommended Swamp-Root. I obtained and took the contents of two bottles when I felt relief. My back has not troubled me since and I can thoroughly recommend Swamp-Root to anyone suffering from kidney troubles, as I find it afforded me great relief.

Yours very truly,
REV. E. T. DAWSON.

RESULTS AFTER USING.

Boston, Ga., Jan. 13, 1909.
Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen: Some time ago I was troubled with kidney trouble. I thought for some time I was suffering with diabetes. I had severe pains in my back and hips. A friend recommended Swamp-Root and I decided to give it a trial. I obtained a bottle from a druggist and after taking a few doses, felt relieved. After taking several bottles the pain was entirely gone and I have not suffered the slightest since. I cannot be too enthusiastic in my praise of this wonderful medicine and it gives me great pleasure to give my testimonial in regard to its merits.

THE VALUE OF A REMEDY IS PROVEN BY ITS CURES.

Elkwood, Ala., Dec. 14, 1908.
Dr. Kilmer & Co., Binghamton, N. Y.

Dear Sirs: I have derived such great benefit from the use of your remedy, Swamp-Root, that I believe it to be most important for the public to know its worth. For the past ten years I have been the most miserable of men. Did not know what the trouble was but had to urniate very frequently both day and night; was puffed up generally. Could not sleep more than a couple of hours at a time, was greatly distressed after eating a meal and was about worn out. I had tried nearly everything I could see advertised and hear of, without helping me to any great extent, until finally in October last at Ripan, Wis., I purchased a one-dollar bottle of Swamp-Root and commenced taking it according to directions and I followed that with another bottle and experienced such great relief and benefit from same that I purchased five dollars worth at Huntsville, Ala., and continued its use and am now taking it, but in smaller doses and twice a day in place of four times a day, and believe by the time present supply is used up I will be entirely well. I am feeling better now than for ten years past. Can eat and sleep first-class, in fact, I am feeling so good that I cannot resist telling you about it. You are at liberty to publish this testimonial should you wish. Very respectfully,
THOS. STALLARD, U. S. A., Retired,
Box 7, R. R. No. 2, Elkwood, Ala.

A CLERGYMAN.

New Roads, La., Jan. 22, 1909
Dr. Kilmer & Co., Binghamton, N. Y.

Dear Sirs: I write today to the public that your Swamp-Root cured me of kidney trouble. I was almost past going; having spasmodic spells with my kidneys that were breaking down my constitution. The best medical id was employed and they pronounced my trouble as alkali in the kidneys, but were unable to do me any permanent good.

I took four bottles of Swamp-Root and became a well man. This was six years ago and I have had no trace of the trouble. Yours for suffering men,
REV. J. R. TAYLOR,
Pastor Baptist Church, New Roads, La.

MAIL CARRIER'S EXPERIENCE.

Blountsville, Tenn.

I have been a rural letter carrier for over five years. Some two years ago was taken with severe pains in my back. I used medicine from my family physician for several months without any benefit. A friend, Mr. J. D. Nelson, advised me to try your Swamp-Root, but I had no faith in it. I continued to grow worse and at last decided to try this remedy and bought of Long Bros. a fifty-cent bottle which gave me great relief. I then bought two one-dollar bottles, which I can truthfully say have completely cured me.

Had it not been for Swamp-Root, I would have been compelled to quit the rural free delivery service.

I advise all mail carriers who get pains in their back that Swamp-Root will cure them.

I was so bad that very often my wife would have to help me to arise.

A CONTRACTOR.

Donalsonville, Ga., Jan. 20, 1909
Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen: About four years ago I suffered from kidney trouble and rheumatism in my hips. The pain across my back became so severe that I could hardly straighten up and could not walk without dragging my feet. I would urinate frequently and would have to rise two or three times during the night, causing me to suffer from loss of sleep. And with the pain I was all run down and began to lose flesh. I saw Swamp-Root advertised and bought one bottle to try it. After taking it I felt better and could sleep all right at night. I continued to take it until I had taken four large bottles. I was entirely free from any pain in the back and began to gain in weight. I always recommend Swamp-Root to my friends as I think the cure in my case remarkable.

Yours very truly,
M. H. HICKSON,

BENEFICIAL IN SEVERE CASES.

Edgefield, Tenn.
Dr. Kilmer & Co., Binghamton, N. Y.

Gentlemen: I hardly know how to express my appreciation for the good your Swamp-Root has done me. I had been greatly troubled with my kidneys, and with pain in the back; also with what the doctors termed inflammation of the neck of the bladder. Sometimes my back would get in such shape that I was almost helpless. I had tried several doctors and medicines to no good effect, and finally I noticed in some paper where Dr. Kilmer proposed to send a sample bottle of his kidney medicine, Swamp-Root, free by mail. I sent at once and received promptly a sample bottle. After taking it I found it did me good. I then purchased two bottles from our merchant, Mr. W. J. Elizer. After taking the medicine I felt like a new man, and each day rode five miles to teach school. You are at liberty to use this letter, or refer anyone to me, as I will always be glad to tell them what a wonderful remedy this Swamp-Root is. Mr. James Ivens, of Saundersville, Tenn., is taking it with good results. Very truly yours,
D. A. MONTGOMERY,
Member Tennessee Legislature.

RESULTS IT HAS PROVED.

Dothan, Ala., Jan. 21, 1909.
Dr. Kilmer & Co., Binghamton, N. Y.

Dear Sirs: Have been suffering more or less from kidney trouble for the last five years and was induced to try your Swamp-Root. Am happy to say, or give you testimonial, that it has cured me. I as a traveling salesman for Messrs. Colgate & Co., New York, and am always traveling on the road. Drinking the different waters affected my kidneys.

Yours respectfully,
SAMUEL WOLF.

A PROMINENT MASON.

Jackson, Tenn.

According to my experience, I do not consider there is anything to equal Swamp-Root for kidney affection.

Twice it relieved me when I was completely helpless.

The last time I was traveling in Texas, when my kidneys become affected, and for ten days I suffered excruciating pains, accompanied with severe chills. Several years previous, having been relieved of a similar attack, I naturally sought relief as before from Swamp-Root.

After using four of the large-size bottles, I was completely restored and went on my way rejoicing and praising Swamp-Root. This was three years ago and I have had no indication of a return of the affliction.

FULLY SATISFIED.

Waycross, Ga., Jan. 5, 1909.
Dr. Kilmer & Co., Binghamton, N. Y.

Dear Sirs: During last October I suffered from my kidneys.

I consulted my physician, who prescribed for me, but his treatment did not benefit me. After reading some Swamp-Root literature, I decided to give it a trial. After taking a few doses, I felt somewhat relieved, and after two one-dollar bottles had been taken, I had no pain and was completely cured. I have not had the slightest pain in my back or hips since. From my own experience, I can cheerfully recommend Swamp-Root to anyone suffering from kidney trouble.

Yours very truly,
SIMON MARTIN.

Every mail brings unsolicited testimonials from people from all over the United States and foreign lands, expressing heartfelt gratitude for what Dr. Kilmer's Swamp-Root has done for them.

Do not let anyone sell you some other medicine to take the place of Swamp-Root—if you do you will be disappointed—insist on getting what you ask for—there is no other medicine as good as Dr. Kilmer's Swamp-Root.

IF YOU NEED A MEDICINE YOU SHOULD HAVE THE BEST

Swamp-Root is not recommended for everything, but if you have kidney, liver or bladder trouble or obliged to go often during the day and get up many times during the night, have smarting or irritation in passing or heart disturbance due to kidney trouble, Swamp-Root will be found just the remedy you need.

Don't Be Misled—For example, when you ask for Dr. Kilmer's Swamp-Root, the Great Kidney, Liver and Bladder Remedy, don't allow any druggist, drug clerk or store keeper to persuade you into buying something else in its place. Every time he succeeds in selling you a worthless substitute he makes more profit, but you are humbugged at the expense of your health.

NOTE—Every reader of The Sun who has not tried Swamp-Root, the great Kidney, Liver and Bladder Remedy, may address Dr. Kilmer & Co., Binghamton, N. Y., and receive a sample bottle free by mail.

PARTY PRINCIPLES THROWN TO WINDS

TARIFF FIGHT WILL BE ONLY A SCRAMBLE FOR SPOILS.

The Outlook Now Is That Party Lines Will Be Wiped Out In Fight for Tariff Favors.

WASHINGTON, March 19.—That party lines will be eliminated during the consideration in the House of the Payne tariff bill was indicated by the action of Representative Broussard of Louisiana in withdrawing yesterday from the meeting of the minority members of the committee because he differed with their views on the tariff.

With few exceptions, each member of the House will fight for the interests of his home district. There is little prospect of any lengthy general debate on the bill and the consideration of the measure under the five-minute rule for amendment will be proceeded with as soon as possible, probably by the end of the present week.

Unless a "gag" rule, for the prevention of unlimited amendments under the five-minute rule is brought in, the minority members of the Ways and Means Committee will not report a separate bill. Their report will be drafted by Minority Leader Clark and will severely criticise the wool schedule in the new bill. It is contended by the Democrats that it has not been cut sufficiently to place it on a revenue basis. There probably will be numerous amendments offered and heated discussions affecting them are anticipated.

The inheritance tax, Philippine free trade, internal revenue and maximum and minimum features of the new bill are endorsed by the minority leaders and there has been much favorable comment upon the measure by Democratic Congressmen. It is understood that the minority leaders favor the removal of the restrictions on the quantity of sugar and tobacco that can be admitted from the Philippines free of duty. On the other hand several Southern Democrats are endeavoring to have the free trade provision amended so as to exclude rice, their contention being that rice would be sent from the Philippines to the United States markets and sold for two cents a pound, if admitted free from the islands. This, they say, would ruin the rice industry in this country.

A number of Democrats will join with some Republicans in favoring the continuation of the duty assessed by the Dingley tariff bill upon lumber. The fight for lumber will be headed by Champ Clark, it is understood. He has frequently expressed himself in bitter terms regarding the lumber situation in this country. During the tariff hearings he arraigned the lumber magnates and delved deep into the intricacies of stumpage, and railroad land grants. It is not thought there will be any serious opposition to the tariff placed on tea.

FOR CITY MARSHAL.

To the Voters of the City of Gainesville

I am a candidate for City Marshal for re-election on April 13. I have served the people faithfully and efficiently, night and day, and my record is open for inspection.

If my service during the past year has been satisfactory I ask the support and vote of each and every citizen who is qualified. I can only promise the same service as I have endeavored to give in the past.

Yours for order,
BEN T. ARNOW.

I take this method of informing the public that I am a candidate for City Marshal at the election to be held on April 13, 1909. I respectfully solicit the support of all voters, irrespective of party affiliation, and promise to faithfully and impartially discharge the duties of the office should I be elected. Respectfully,
CHAS. C. WARREN.

FOR TAX ASSESSOR.

To the Voters of the City of Gainesville:

I respectfully announce myself a candidate for City Tax Assessor for the year 1909. Having been Tax Assessor for four years, I am fully prepared to fill the office, as my record will show, the city assessment having been increased in that time from a little over $600,000 to over $1,000,000. I was prevented from running for this office last year on account of sickness, and now respectfully solicit your votes. W. M. BRADFORD.

To the Voters of Gainesville:

I hereby announce that I am a candidate for re-election to the office of City Tax Assessor for the year 1909, in the election to be held on April the 13th, and most earnestly request you all to give me your vote and support for the position.

Thanking you for your past endorsement, I remain, Yours very truly,

J. T. Stokes, the efficient justice of the peace at LaCrosse, was among the Saturday visitors to Gainesville.

B. H. Dupree of Arredondo was in the city yesterday. He has charge of the Colson farm at that place.

Capt. C. B. McClenny and little daughter of Cadillac were among the visitors to Gainesville yesterday.

A closing school entertainment will be given at the school house in Windsor on Friday night, March 26th. All are invited.

Miss Mary Waits of Hawthorn was in the city yesterday. She was en route to Rocky Point, where she will visit her sister, Mrs. R. L. Barton.

T. B. Ellis, Sr., Mrs. C. C. Reddick and Miss Dorian Ellis will visit Waldo today to spend the day as the guests of the former's daughter, Mrs. C. A. Marks.

L. R. Jones of Rochelle was among the visitors to the city yesterday. While here he had his name placed upon the books of The Sun as a subscriber for another year.

A. E. Wittstock is building another home on West Church street. The new building will contain seven rooms and when completed will be used for rental purposes.

Mrs. B. C. Dorsey of Jacksonville, who has been spending the past few days in the city visiting her parents and sister, left yesterday for Ocala, where she will visit Mrs. Knight. She was accompanied by her two interesting children.

Keep your eye on the want ads. There may be something advertised which is of interest to you.

Mrs. B. T. Arnow and children, who have been visiting relatives at High Springs for the past several days, returned home yesterday. They were accompanied by Mrs. Annie Bynum, who will visit her sister here.

Mrs. Amanda George and daughter, Miss Ida, who have been spending the past week here visiting the former's sister, Mrs. Owen Lloyd, left yesterday for Tyler. From there they will go to their home at Live Oak.

Dr. and Mrs. A. M. Jenkins, who have been visiting Mrs. W. H. Palmer at her North Gainesville home for the past few days, left yesterday for their home in Michigan. They have been spending the past winter at McMeekin.

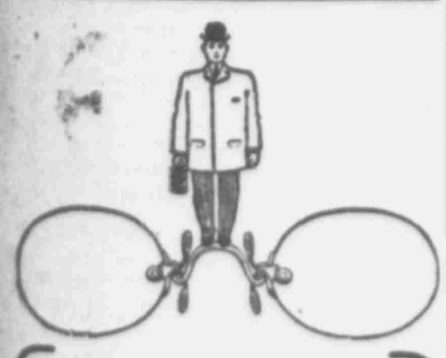
C. D. Dennis has returned from a business trip to Jacksonville. In speaking with him yesterday he was of the opinion that the large phosphate interests of C. W. Chase would run on and the head offices be located here in future as in the past.

Miss Lucy Ford of Lynchburg, Va., who has been the guest of Miss Irene McCreary for the past few days, left yesterday for her home via Jacksonville, where she will spend a few days with her aunt, Mrs. F. J. Hagood. She is a grand-daughter of Judge Dillard of Micanopy, and she and her mother have been visiting relatives at Jacksonville, Ocala and Micanopy for the past three months.

The Grand Event.

From Sunday's Daily Sun:

The great spring opening of fine millinery and ready-to-wear goods of the G. W. Hyde Company will occur Tuesday, Wednesday and Thursday of this week, accompanied with a great white goods and embroidery sale. It will probably be the greatest event of the kind ever known in this section. Thousands will visit the palatial store during this sale, for it is the event that all have been waiting for. Like the great grey hounds of the ocean, this merchandise place will set sail to surpass all previous efforts, and there is no question of success. Every energy will be put forth to make past efforts look like they were standing still as compared with the gigantic strides that this store will obtain every day from this time on. Watch the Hyde Company grow, and do not miss this week's notable event.



GLASSES THAT LOOK RIGHT

We mean glasses that are becoming to the wearer. Few realize how much art there is in selecting a frame or size of lens to fit the wearer's face.

This matter has our most careful attention. We not only fit the eyes perfectly but can advise as to the frame that will look well.

Glasses of proper shape instead of disfiguring often add attractiveness to a face.

Every such detail has attention when you have glasses fitted here.
